SELECTMEN'S REPORT

As we prepare our annual report for fiscal year 1974 and enter the 1975 fiscal year the town is faced with the dilemma of rapidly rising costs and some reduced revenues. In preparing our budget for the Town for the coming year every consideration has been given to hold budget items to the absolute minimum in order to prevent rising taxes. However, several major items of expense face the Town's voters this year, namely the purchase of a new Town highway dump truck, the change-over to sanitary landfill or other types of rubbish disposal. We have to start considering tax mapping in order to meet the 1980 deadline, for mapping requires two to three years of preliminary work in order to complete the final map. After long deliberation we must give careful consideration to replacing the Ford police cruiser if we are to maintain the necessary level of police protection that has been established over the past few years.

We are asking for an increase in the highway maintenance budget to try to maintain our current level of road repair, to do some much delayed sealing of paved roads, and to offset revenues from flood work and the expending of excess highway subsidy and Class V maintenance funds.

The highway crew has completed all of the repairs caused by the flooding and were able to pave Bliss Hill, widen and gravel parts of North Road and, hopefully, if time and funds permit to pave it this year.

The board hired a much-needed secretary soon after the 1974 annual meeting to take over some of the extreme load of paper work that has burdened most of our time in carrying out the duties of the Selectmen's Office. We are asking for an increase in Town Officers' Salaries so that she may work more hours to assume an even greater amount of the cumbersome paper work that is being required by various Federal and State agencies.

The board has recently transferred its checking and cash accounts to the New London Trust Co., New London, N. H. Through financial advice and suggestions from them we feel that a better investment of idle funds and cash accounts will generate income which will help to reduce budget items in the future.

Due to the number of pressing problems and needs of the community which we now face we have need of several committees to work with the Selectmen in arriving at workable solutions for them. We would appreciate it if anyone willing to give some time and energy for the betterment of Danbury would please come forward at Town Meeting.

Respectfully submitted,
DONALD J. COOK, Chairman
PAUL J. RYAN
ARTHUR N. TAYLOR

REPORT OF THE DANBURY RECREATION COMMITTEE

The members on the Recreation Committee were Secretary-Treasurer Merton Austin and Chairman, Sandy Huntoon.

The funds for the committee came from two sources, the Internal Revenue Sharing Funds and the committee's own savings account.. The Revenue Sharing funds are for facility, supervisor and maintenance fees. Fees for programs such as a field trip, Halloween party, and summer activities come from the committee's account.

During the past year a fund raising Ham & Bean supper was held in June, a Muscular Dystrophy Carnival in July. Summer programs on Saturdays included field events, the MD carnival and a craft day. The Little League, basketball, open house on Friday nights for your adults and skating are also sponsored by the Recreation Committee.

Some of the expenditures from the Revenue Sharing funds were, Little League, volleyball and basketball equipment, record player for the majorettes and town use, equipment for the Boy Scouts, maintenance on the skating area.

Some future ambitions being considered are: an ice hockey rink, a park, and a swimming area.

Special thanks to Marion Morse, Marjorie Schliecher and the 4-H group for helping with the carnival, JoAnn Phelps, Debbie Phelps, Melanie Robie, Bonnie Chellis for their assistance at the Halloween party and for everyone who donated food for the Ham & Bean supper and Ralene Currier, Hope and Clinton Huntoon, Sylvia Hill, Paul Ryan, Bob Ford, Merton and Sharon Austin who worked at the supper and dance.

FOREST FIRE WARDEN'S REPORT

Your Forest Fire Warden and Deputies wish again to thank one and all of you for your help in keeping our town practically free from fires this past year.

We had one small fire in town this year which burned approximately one acre of grass and brush land.

We issued 112 permits this year with a small percentage being issued for incinerators, but look for incinerator permits to increase next year due to the fact the town will have to cease dump burning July 1, 1975.

If you are thinking of setting up your own incinerator it would be of help to you to talk with one of us about how it should be done and what is legal.

Don't forget, even though you have a permit, if a fire starts from your fire or incinerator you are still liable for all expenses of putting out the fire plus any property damage.

KEARSARGE VISITING NURSE ASSOCIATION

Nurse's Report - Dec. 31, 1974

Since inception in July, 1970, the agency has seen a steady increase in the use of its services. We provide nursing care (which includes education, prevention and rehabilitation), physical therapy and occupational therapy. No one is denied service due to financial difficulties. An individual can be referred to us by *anyone* and all information is confidential. In Community Health Nursing, family involvement is of utmost importance. The family needs support and guidance so they can continue care between our visits.. Teaching is a vital component that is incorporated with whatever procedures are ordered by the physician.

In the past year we have increased the hours of our part-time nurse and now are considering employing another nurse. Physical therapy visits have doubled.

Statistics:

Total visits 1071 (includes 59 not home)

Total mileage 13,350 miles

320 visits for prevention, education, and guidance

539 visits for nursing care (dressings, catheters, colostomies, medication supervision, diet supervision)

99 visits for physical therapy

76 visits to your town

Our agency recognizes the importance of staff education and has provided us with the opportunity to attend workshops to enhance our skills in the nursing profession.

Future plans:

1. Increase nursing staff.
2. Set up immunization clinics in other towns according to priority.
3. Contract with mental health center to provide follow-up care.
4. Contract for homemaker-health aide service.

We appreciate the continued town support and as in the

past we have not requested any increase in your per capita assessment. The total town appropriations provide approximately 55% of our budget, while the agency brings in other monies through annual fund drive, insurances, welfare, and direct fees.

We thank you for your support through appropriation, contributions, donations of food, clothing and medical equipment. Only with community involvement can we continue to provide the highest quality health care to meet your needs.

MRS. LOIS SPEARMAN
Director

Your town had a resident population June 30, 1974, of 515.
Your assessment based on \$1.25 per capita is \$643.75.
Your town representatives are Mr. Edward Roche and Mrs.
Joseph Grablewski.

HEALTH OFFICER'S REPORT

January 14, 1975

After having served only six months as Health Officer of the Town of Danbury, I have found the position both interesting and at times frustrating. The frustrations arise out of interpretation of the revised statutes of the Public Health laws and the cooperation of the agencies on the state level with the local health officer. Hopefully in the future we will be able to establish better lines of communication and assists.

Because of the limited time I have to spend, there is a conflict of my regular work schedule and duties as Health Officer. However, I have managed to fulfill my obligations as such and hopefully for the future will continue to do so.

Do not hesitate to contact me in matters of local Public Health or aid and assists in health matters of concern to you and those around you.

Health Officer
